

2024 IRON SCOUT CAMP ROBERT DRAKE

Prairielands Council Provisional Camping

This summer there are multitudes of adventures you can undertake to fill your summer with fun exciting challenges. You can come back to camp to work on extra merit badges, awards, relax, or to push yourself to discover new limits on what you can do. Any Scouts BSA member can attend Camp Drake as a part of the Prairielands Council provisional camping option without their hometown Scoutmasters.

Scouts can be an IRON SCOUT:

- IF the Scout could not attend camp during the session of their own troop.
- IF the troop cannot find adult leadership from their own troop to attend a session.
- IF the Scout wants to go to a 2nd action packed, fun-filled, thrill-a-minute week.

To register as an IRON SCOUT, return the bottom portion of this flyer to the Prairielands Council B.S.A., Box 6267, Champaign, IL, 61826-6267. The cost for one week of provisional camp is \$345.00 for Scouts of the Prairielands Council. If the Scout is attending a second week of Scout camp at Camp Drake, then the fee for the second session is \$225.00.

All Scouts are invited to be a part of this exciting outdoor adventure. This option provides Scouts with the ability to attend camp without adult leadership. In addition to the normal camp wide program, there is a choice to focus on Eagle Scout required merit badges.

Eagle required merit badges offered:

Citizenship in the Nation	Environmental Science	First Aid	Personal Fitness

Another thrill of coming back out to camp as an IRON SCOUT is the opportunity to work on advancement through the pollywog program in the 1st Year area or high adventure treks with their Scouting peers. Experienced adult volunteers will coordinate the activities of the troop and provide guidance throughout the session. Parents or leaders are welcome to join as assistant leaders for the entire week or specific days.
